REVERSE MENTORING. By Professor David Clutterbuck.. Mentoring programmes. Asked to describe a "typical" mentoring programme, most people talk about a hierarchical relationship, with a senior manager or professional as mentor and a more junior person as mentee. But there are valuable learning conversations to be had from relationships between peers and those, which reverse the hierarchy of ...

Book Sponsored by Hilltop Holdings, Inc.. The fastest way to change the feedback culture in any organization is to teach leaders to become better feedback receivers. Honest feedback is a challenge in organizations around the world, and the usual response "teaching leaders how to give feedback more effectively" has failed to solve the problem.

[calculating the effect of price and mix changes on sales](#)

When a business sells products of different margin, price and cost, the mix of what you sell can affect results. It's worth understanding this. At least it can explain changes in a way you can diagnose. Targeting better mix needs a mix-effect KPI to ...
